documents that were sent to them were not traceable, and they have made a similar submission to the Supreme Court of India. The Government of India, as far as I am able to gather, did not keep a copy of what was received by them, and sent the whole thing, in original, to the Government of Assam in September/October, 1979.

SHRI KHEKIHO ZHIMOMI: Mr. Chairman, Sir, since the documents have been lost, and for the last 28 years, the State of Nagaland have been pursuing the Government of India, the Ministry of Home Affairs and the Government of Assam to return the documents to the State of Nagaland.

MR. CHAIRMAN: I am afraid, the Question Hour is over.

WRITTEN ANSWERS TO STARRED QUESTIONS

Formulation of land reforms policy

*224. SHRI AMIR ALAM KHAN: Will the Minister of RURAL DEVELOPMENT be pleased to state:

(a) whether Government proposes to formulate National Land Reforms Policy and to set up a National Land Reforms Council to facilitate land reforms in the country;

(b) if so, the details thereof; and

(c) by when the said policy is likely to be implemented?

THE MINISTER OF RURAL DEVELOPMENT (SHRI RAGHUVANSH PRASAD SINGH): (a) to (c) Land and its management falls within the exclusive legislative and administrative jurisdiction of the respective States as provided under Entry No. 18 of List II (State List) of the Seventh Schedule to the Constitution. The role of the Central Government in the field of land reforms is only of an advisory and coordinating nature. However, implementation of Land Reforms Programmes is reviewed from time to time at various fora including Conferences of Revenue Ministers and Revenue Secretaries of the States/UTs organized by the Ministry of Rural Development. The State Governments/UT Administrations have been requested from time to time for effective implementation of land reform programmes/schemes. The subject matter has, however, been considered at the highest level. In order to get comprehensive recommendations on the matter, it had been decided to constitute the following:—

(i) A "Committee on State Agrarian Relations and the Unfinished Task in Land Reforms" under the chairmanship of Minister of Rural Development.

(ii) A "National Council for Land Reforms" under the chairmanship of the Prime Minister.

The composition, terms of reference, *etc.* of the Committee and the Council were notified in the Official Gazette on 9th January, 2008. A copy of the Resolution dated 9th January, 2008 is enclosed: (*see* below) The Committee is to submit its report within one year from the date of its

constitution and the report will be placed before the 'National Council for Land Reforms'. The first meeting of the Committee was held on 19th February, 2008. The Committee, *inter alia*, decided to set up 7 Sub-groups for in-depth review/studies of the components of the Terms of Reference. The second meeting of the Committee was held on 14th May, 2008 and the third meeting, to consider the draft report of the Committee, is to be held on 24th December, 2008. The entire gamut of land reforms is being looked into by the Committee and it is likely to make comprehensive recommendations on the matter. The Council may lay down broad guidelines and policy recommendations on land reforms, based on the recommendations of the Committee. However, it is not possible to indicate specific time line for the purpose.

Closely linked with land reforms is the issue of land records. With a view to develop a modern, comprehensive and transparent land records management system in the country, the Union Cabinet in its meeting held on 21.8.2008 approved merging of the existing two Centrally-sponsored schemes of Computerization of Land Records (CLR) and Strengthening of Revenue Administration and Updating of Land Records (SRA and ULR) in the shape of the National Land Records Modernization Programme (NLRMP). The NLRMP envisages survey/resurvey of land using modern technology, computerization of land records, digitization of maps, integration of textual and spatial data, computerization of registration and mutation systems, and integration of all these systems with the help of information technology. All the activities under the programme will converge in the district and district will be unit of implementation. The ultimate goal of the NLRMP is to usher in the conclusive titling system with title guarantee, to replace the current presumptive title system in the country. For achieving this goal, the NLRMP is to be implemented in a time-bound manner and all the districts in the country are to be covered by the end of the 12th Plan. The programme has been rolled out with a technical workshop conducted on 24th-25th September, 2008 in New Delhi which was attended by officers from Revenue and Registration Departments of the States/UTs. The States/UTs were requested for submission of Perspective Plan for implementation of the NLRMP and proposals for current year. A Project Sanctioning and Monitoring Committee has been formed which has already sanctioned Rs. 174.19 crore for 13 States/UTs.
